

KleenGuard® SB is an advanced solvent base, fluorochemical for use on carpet and fabric to provide maximum protection against both oil and water base stains. This product has superior fiber penetration and migration properties to supply a thorough, long-lasting protection. May be used on all carpet and fabric.

**DILUTIONS**

Do not dilute. This product is ready-to-use.

**DIRECTIONS**

- 1) Shake gently before use.
- 2) Always test for color stability before use.
- 3) Apply with a hand-held sprayer or pressure sprayer (less than 40 psi); do not use an electric sprayer. Lightly spray until carpet or fabric is damp to the touch. May be applied immediately after wet or dry cleaning.
- 4) Allow to dry for 24 hours before use. Full cure protection will be complete in 48 to 72 hours.
