

# LEATHER DEODORIZER

For use on all types of leather.

LeatherPlus® Leather Deodorizer has been formulated to deodorize all types of leather, including protected, topcoated, aniline, natural, suede and nubuck. This product will permanently remove foul odors caused by perspiration, vomit, pets, food spills, urine and many other biotic substances. It will also renew the natural fragrance of leather.

## DILUTIONS

Do not dilute. This product is ready to use.

## DIRECTIONS

- 1) Shake gently before use.
- 2) Always test before use.
- 3) For best results, leather surface should be pre-cleaned with LeatherPlus Leather Cleaner.
- 4) Lightly mist directly onto source of odor. Do not oversaturate.
- 5) Allow to dry naturally.
- 6) For severe odors, repeat process.

## AVAILABLE SIZES

pint
