

Spot Doctor™ is the first-step in the removal of all types of spots and stains. This no-residue formula will not contribute to "reappearing spot syndrome." Professional-strength, but safe for use by homeowners. Also excellent for use to damp dust upholstery.

DILUTIONS

Do not dilute. This product is ready-to use.

DIRECTIONS

- 1) Shake gently before use.
- 2) Always test for color stability before use.
- 3) Sparingly apply to affected area or onto a clean, white cloth. For best results, blot from the outer edge of the spot toward the center.
- 4) Extract or rinse. Blotting with a white absorbent cloth dampened with water is acceptable if no extraction equipment is available. To accelerate drying, blot with a dry, white cloth.

AVAILABLE SIZES

US gallon . 55-gallon drum
